

## ***Kingsley Chan***

Kingsley joined the Herring Bay Yacht Club in 2024 and has participated in many events since then. Relatively new to boating, he purchased his first sailboat in 2020 and has been thoroughly enjoying both the adventures and the friendships that come with it. Kingsley appreciates HBYC events, noting that they are well-organized and that the members are especially friendly and welcoming.

Professionally, Kingsley works in financial risk management and is looking forward to his “Retirement 2.0.” In the winter months, he enjoys traveling by land with his camper and Jeep—you might even spot his rig in Florida!

Kingsley is excited to serve as Member-at-Large and looks forward to welcoming new members to the fun and friendly HBYC community!
