

P.J. Warwick

P. J. and his wife Laurie have been cruising the Chesapeake Bay for nearly 15 years. Their boat, Harmony, is berthed at Herrington Harbour South. They have two grown sons and a daughter-in-law who enjoy boating with them when their busy schedules allow.

P.J. and Laurie joined HBYC in April 2023 after attending the “Cruising the Bay” seminar hosted by HBYC. They were excited about HBYC’s energy and camaraderie that came through in the seminar and decided that they wanted to be a part of the Club. Their many HBYC friendships have grown each year and they find that membership in the Club has enhanced their boating experience immeasurably. They make the most of every cruise and land event that they can.

P.J. has served as Vice Commodore for HBYC since 2023. In addition to the various duties of the Vice Commodore, P.J. has championed various initiatives to grow our membership, engage members, enable volunteering, and foster a welcoming and inclusive atmosphere. P.J. is excited about HBYC’s potential and plans to continue to use his leadership roles within the Club to help it continue to thrive, grow and offer a welcoming home for its members.

P.J. is an advocate for safe and respectful boating practices as well as protection and stewardship of the Chesapeake. He enjoys a DIY approach to boat maintenance and repair, and takes projects as far as he can before calling the pros—or another HBYC member! He’s always learning and anxious to exchange information and ideas.
